

Whisper of Shadows

A dark, atmospheric photograph of a forest path. The path is dirt and leads into a dense forest. A sign on a tree to the right of the path reads "TRALITSKY'S". The scene is dimly lit, with shadows and highlights on the ground and trees. The image is framed by a decorative gold border with ornate scrollwork at the corners.

A well prepared meal and warm company can lift your mood or make you see a place in a different light. In a remote town on the central plains of Obrovoska, it's happening over and over almost every day.

A Tavern there called Tralitsky's uses local products and high-end cooking to breathe new life into the hard-pressed farm town, Tarvik.

When tragedy struck the towns crops, a local man named Tadiusz Tralitsky used his good fortune to bring new life to Tarvik by opening his tavern. Local folks and travelers alike can now have a warm meal and a few days rest and with this simple equation Tarvik flourishes to this day.

If I find out that you sold out this town after all we have been through together, you're a dead man Tadiusz.
